

L&RCAA Useful Guide on Types of Archery Awards/Badges

This document has been produced by Carol Smith, L&RCAA County Records Officer to provide archers within the County a better understanding of the awards/badges available to them. It should be noted this is not an exhaustive list and reference should also be made to the AGB Shooting Administration Procedures. Actual badges may also vary from pictures shown. It should also be noted not all Clubs operate every scheme due to pressure on the Records Officer, archers therefore need to check which schemes are operated by their Club.

Six/Three Gold End Badge

The Six/Three Gold End Badge is for 6/3 consecutive arrows shot into the gold at one end at either of the 2 longest distances of a WA/Metric or Imperial round for your age group at a Tournament or Club Target Day. You can claim a Six Gold End Badge only once as a Junior & once as a Senior in each discipline you shoot – recurve, longbow and compound. The Three Gold End Badge can only be claimed by longbow archers. If the Six/Three Gold End is shot at a Tournament the Tournament Organiser must sign the claim form. If the badge is claimed on a Club Target Day the form must be signed by the Club Secretary

L&RCAA Fox Award

The 'L&RCAA Fox Award' has been designed to provide archers of all ages (junior & senior) who are not yet shooting scores high enough to achieve WA or Rose Awards, an incentive to improve their archery skills. The Fox Award is open to all L&RCAA archers and comprises a royal blue fox hanger with 6 coloured bars. The coloured bars indicate increased proficiency and are white, black, blue, red, gold & purple. Each coloured bar can be claimed once an archer achieves the minimum score for the round being shot (shown in the table below) in accordance with their bow style, age group & gender. If unsure please see the 'Junior Round Guide' on the L&RCAA website or refer to AGB Rule of Shooting 'Recognised Rounds' 308. Bars should be claimed in colour order, with only one bar being issued per score shot. The claim form and full details can be found on the L&RCAA website on the 'Home' page under L&RCAA Fox Award www.lrcaa.org

Archery GB Progress Awards

The Archery GB Progress Awards are designed to provide beginners and younger archers with awards for developing their archery skills. The scheme can also be used as an adult beginner incentive. The award requires an archer to shoot 36 arrows at standard distances dependent on gender, age and bow style. Archers need to achieve a specific minimum score. The scheme is administered at Club level. Score requirements can be found on the Archery GB website (<http://www.archerygb.org/support/juniors/awards/index.php>)

WA (FITA) Feather Awards

Red and Gold Feather Awards are available. Each award is based on 3 requirements - score, skills development and knowledge. These are designed for beginners under 12 years of age and some disabled new archers. The scheme is administered at Club level.

Badge Colour	Red	Gold
12 hits on a target face at:	6m	8m

WA (FITA) Arrow Awards

WA (FITA) Arrow Awards are for beginners over the age of 12. Beginners are tested on archery scores, skill development and knowledge. Different colour awards are available depending on the distance to be shot.

Handicap Improvement Medal

The Handicap Improvement Medal is awarded by a Club to a club member that achieves the greatest handicap improvement over a calendar year (1st January-31st December). The award is open to all members and the medal is loaned by the Club as it is the property of Archery GB. The medal was previously on a green ribbon & depicts a mediaeval archer, the ribbon has now been updated to AGB colours and is red & blue.

Archery GB Outdoor Classification

The AGB Classification Scheme gives an archer a progressive goal to aim for. Outdoor classifications are Archer, 3rd Class, 2nd Class, 1st Class, Bowman, Junior Master Bowman, Master Bowman & Grand Master Bowman. Claims for Bowman, 1st, 2nd and 3rd Class are dealt with at Club level. Claims for Master Bowman (MB), Junior Master Bowman (JMB) & Grand Master Bowman (GMB) are administered by Archery GB. 3 qualifying rounds are required to achieve each classification. At the start of each season (1st January for outdoor) handicaps are re-assessed with the best 3 handicap rounds of the previous year averaged to produce the starting handicap for the next season. To achieve 3rd Class through to Bowman, scores can be shot at a Club Target Day or Tournament. However, to achieve MB, JMB & GMB all 3 scores must be shot at Record Status Tournaments.

LRCAA Outdoor Classification Badge Scheme

The L&RCAA Classification Badge Scheme is a Leicestershire & Rutland County Archery Association scheme run alongside the AGB Outdoor Classifications. The Classifications Badges are for 3rd Class, 2nd Class, 1st Class, Bowman, Junior Master Bowman/Master Bowman & Grand Master Bowman. 3 qualifying rounds are required to achieve each classification. Badges are free to all LRCAA affiliated archers. Claims are administered at County level by the County Records Officer. The claim form and full details can be found on the L&RCAA website on the 'Home' page under County Classification Badges www.lrcaa.org

252 Scheme

Badge colour & style may vary dependant on your Club

The 252 Scheme is designed to encourage archers to practice shooting at different distances. Archers get 6 sighter arrows. 3 dozen arrows are shot on a 122cm face at a chosen distance. The round is scored using 5 zone scoring. The aim is to get 252 or better. 3 dozen arrows may be shot alone or as the first 3 dozen of a longer Imperial round. There is no restriction on the order of distances shot. Archers can claim 50yds one day and 30yds the next day but only one distance can be claimed per day. The scheme is administered at Club level.

Distance	20yds (White)	30yds (Black)	40yds (Blue)	50yds (Red)	60yds (Gold)	80yds (Green)	100yds (Orange)

Frostbite Round Badges

Frostbite Round Badges are awarded for scores achieved in Frostbite rounds shot outdoors in the winter months. The Frostbite round comprises 36 arrows, in ends of 3 arrows, shot at 30 meters at a 80cm target face with Metric scoring. Once a score has been achieved, archers may then attempt to move forward to the next badge. Only one score is required per badge. The scheme is administered at Club level.

Portsmouth Round Badges

To encourage progression archers are awarded achievement badges for scores in a Portsmouth round. Badges start at 300 and increase in increments of 25:- 300, 325, 350, 375, 400, 425, 450, 475, 500, 525, 550, 575. Once 575 has been achieved there are increments of 5:- 580, 585, 590, 595 and 600! Once a score has been achieved, archers may then attempt to move forward to the next badge. Only one score is required per badge. The scheme is administered at Club level.

Archery GB Indoor Classification

The defined year for Indoor Classifications is from 1st July to 30th June. The scheme **only** applies to the following bowstyles:- Recurve & Compound. The classification grades are H, G, F, E, D, C, B & A ('H' being the initial classification & 'A' being the highest). There are no separate classifications for juniors. 3 qualifying rounds are required to achieve each classification and can be shot in a Tournament, Open Competition or at a Club Target Day. The scheme is optional & administered at Club level.

Six/Three Clout End Badge

The Six/Three Clout Badge is for 6/3 consecutive arrows shot at one end into the Clout, ie the 5 zone at a competition or Club Target Day. The Three Clout End Badge can only be claimed by longbow archers. If the Six/Three Clout End is shot at a Tournament the Tournament Organiser must sign the claim form. If shot at a Club Target Day the Club Secretary must sign the claim form.

Tassel Awards for Clout

The Tassel Award scheme for Clout Shooting is administered by the Northern Counties Archery Society (NCAS) www.ncas.co.uk/clout.html. Tassel Awards are open to archers shooting Double One-Way and Two-Way Clouts at Tournaments that have been given 'Tassel Award Status' by NCAS. Claims must be made at the tournament.
